VOLUNTEERS NEEDED AT FAIR!

Are you looking for something fun to do over the 4th of July weekend? The Cannon Valley Senior Center (CVSC) has shifts available to man the main, north, and union street gates during the Cannon Valley Fair along with the little white office in front.

CVSC needs volunteers to sign-up for two and a half hour shifts on one or all of these dates: **July 1st, 2nd, and 3rd**. There are many slots to fill, and we need all the help we can get. The hours the gates need to be manned are 11 am – 9 pm each day.

This is a fundraiser for the CVSC. They use these funds for their senior programming throughout the year. Individuals and/or families or organizations can sign up for 1 or more time slots. Call Lora Bremer at the CVSC at 507-263-2136 and she will get you on the schedule. Reminders will be sent out a few days before your time slot(s).

LIBRARY LAUNCHING COMMUNITY HARVEST BOX

The Cannon Falls Library is pleased to announce its new Harvest Box. The purpose of the Harvest Box is to serve as a “free little food library” that will supplement the Food Shelf to fight food insecurity with locally grown produce in Cannon Falls. The Cannon Falls Library is partnering with Quiet Waters Ranch to provide the bulk of the produce that is available to any and all people, free of charge. This initiative was funded with grant seed money from Live Well Goodhue County.

“The pandemic has been particularly tough on those who have lost their jobs or have had hours cut. When I heard about this grant through Live Well Goodhue County, I knew there was a way to help those experiencing food insecurity,” said library director Nicole Miller. “The Food Shelf already offers produce to people, but they aren't open every day. I thought that we could supplement their services with our Harvest Box, since we're open Monday through Saturday. Now, people

can walk into the library, see what we have, grab a few pieces of fresh produce (or drop some off), and even access some nutrition information about what the Quiet Waters Ranch Giving Garden has grown and donated.”

While the majority of produce is grown and donated by the Quiet Waters Ranch Giving Garden, local gardeners are also encouraged to donate their overflow produce. For more information, contact Nicole Miller at the Cannon Falls Library at nmiller@selco.info <<mailto:nmiller@selco.info>> or at 507-263-2804.
