Nate's Garage, 1471 – 310th St Way, Cannon Falls

Nate's Community Garage was developed in 2020 as a 501c3 out of Nate's Garage. Nate's Garage is a full-service automotive repair facility including mechanical, body work, detailing and mini storage. Nate's Community Garage is bridging the financial gap for Veterans and people with fixed incomes to afford unexpected costly automotive repair.

Here at Nate's Community Garage, we are providing a financial bridge to assist participants in maintaining independence with mobility; to access required medical care, obtaining/maintaining employment and or access to education. Nate's Community Garage is ONLY the second program of its kind in Minnesota, and we serve participants in Goodhue, Rice and Dakota County which is rural Minnesota where public transportation is very slim to none.

We have an application process which is first come, first serve and is based on when funds are available. Each participant is asked to pay 25% of the repair bill and we cover the balance up to \$500 a year. We have helped nearly 30 people, families, and Veterans with financial assistance since last year.

Nate's Community Garage is solely funded by donations and sponsorships. We are always looking for ways to raise money and volunteers to support our program. Ncommunitygarage20@gmail.com or 507-263-2783 or on FaceBook
